

# Turn Your Paylocity Platform Into a Fully Managed Benefits Department.

You have the plans. Now get the administration.

## The Risk of Managing Alone

**Revenue Leakage:**  
Overpaying carrier invoices for terminated employees.

**Coverage Gaps:**  
EDI file failures leaving employees without care.

**Enrollment Burden:**  
Losing weeks of productivity to manual processes.

## The Human Layer Inside Paylocity

### Strategy & Enrollment

- ✓ Open enrollment administration
- ✓ Plan design & configuration
- ✓ Technology logic & backend rules

### Daily Operations

- ✓ EDI file maintenance & monitoring
- ✓ Carrier invoice reconciliation
- ✓ Direct Employee Benefits Hotline

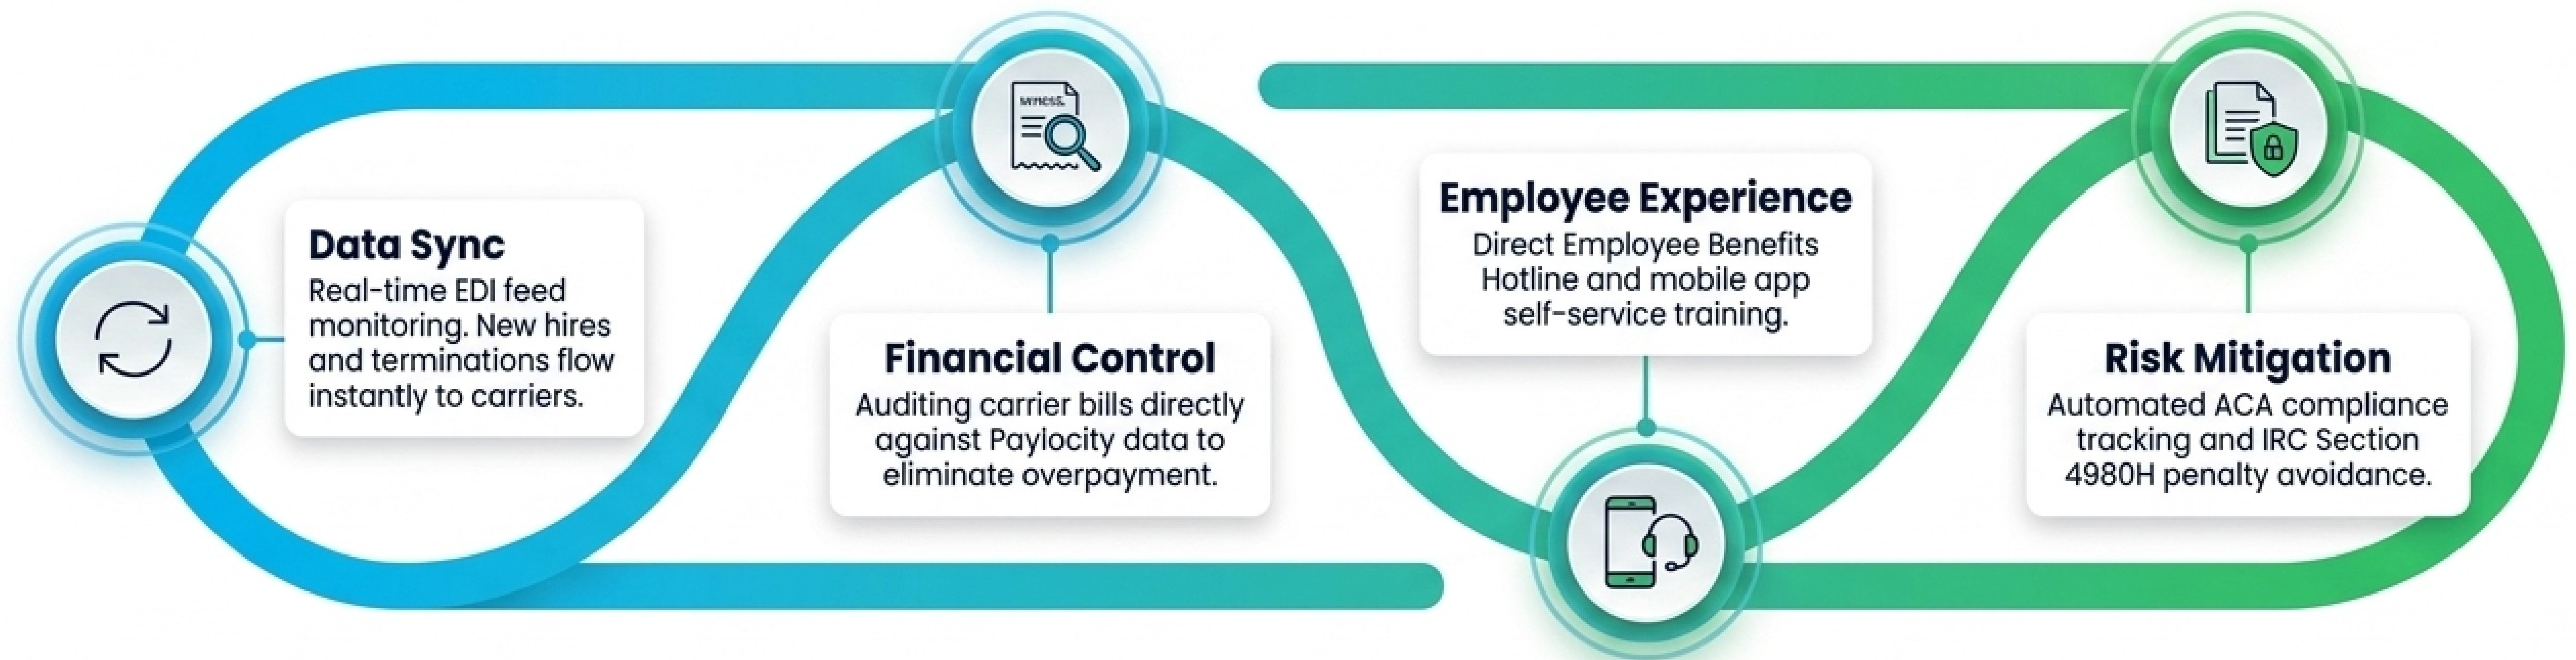

### Compliance & Risk

- ✓ Automated ACA tracking & reporting
- ✓ 401(k) testing & support
- ✓ Proactive regulatory updates

# Seamless Administration from Onboarding to Exit.

We manage the platform and the carriers. You focus on your culture.

## Expert administration for less than the cost of a new hire.

Gain a dedicated team of Paylocity **specialists** and **eliminate single points of failure.**

Stop overpaying for benefits administration outsourcing.  
**Let's simplify HR.**
