

We Manage the Platform. You Manage the Culture.

Growing companies get buried in HR complexity. We eliminate that burden. Gain an embedded partner that handles every system, process, and paycheck.

Exclusive Platform Focus:

We operate exclusively on Paylocity. No learning curves. Immediate ROI. Unmatched platform expertise.

Seamless Integration:

We do more than provide services. We embed alongside your team from day one to run your operations seamlessly behind the scenes.

High-Caliber Firepower:

Access an entire team of certified Paylocity specialists for a fraction of the cost of a single internal hire.

A Precision Ecosystem for Your Entire Workforce

Complete lifecycle management executed entirely within your Paylocity platform.

Managed HR

Workflows for the full employee experience.

- Onboarding, offboarding, and employee record maintenance.
- Compliance monitoring (EEO, FLSA) and FMLA leave administration.
- Performance management and handbook development.
- Direct Employee HR Hotline for your staff.

Managed Payroll

Precision and compliance in every cycle.

- Flawless processing, timecard validation, and error prevention.
- Tax geolocation setup, registration, and filing.
- Complex garnishment administration and 3rd party pay.
- Seamless General Ledger (GL) mapping.

Managed Benefits

Seamless administration from savings to enrollment.

- Open Enrollment execution and benefit plan strategy.
- Affordable Care Act (ACA) compliance tracking and reporting.
- Continuous carrier reconciliation and EDI feed monitoring.
- Robust retirement plan (401k) support.

Optimization is a Return, Not a Cost.

15 Hours / Week

Average administrative time saved for clients.

\$9.20 ROI

Average return on every dollar invested in HCM optimization.

0 Single Points of Failure

Built-in redundancy so payroll and HR never stop.

Let's simplify HR together.
